MEMORANDUM

TO: Faculty and Adjudt Faculty  
FROM: Kenneth G. Furton, Provost and Executive Vice President  
DATE: March 9, 2018

Dear Faculty,

As we migrate to the Canvas learning management system (LMS), we are happy to report that we have had a successful transition of courses during Fall 2017. Currently, 35% of course content has migrated to Canvas with the remaining 65% still on Blackboard. We recognize the importance of technology and the advanced tools within Canvas that enhance student learning. As of Fall 2018, all academic courses will begin utilizing Canvas whether delivered by online, hybrid or face to face modalities.
